S.R. NO. 175

SENATE RESOLUTION

REQUESTING THE DEPARTMENT OF TRANSPORTATION TO CONDUCT A
FEASIBILITY STUDY ON UNIVERSAL PILOT BADGES FOR AIRPORTS IN
THE STATE.

1 WHEREAS, there are approximately fifteen commercial,
2 passenger, and general use airports in the State of Hawaii; and
3

4 WHEREAS, many of these airports require pilots to hold
5 separate badges, specific to each airport, to enter the
6 premises; and
7

8 WHEREAS, the process of obtaining and renewing multiple
9 badges is time consuming and expensive, requiring several
10 background checks and annual fees; and
11

12 WHEREAS, a universal state airport badge would be more
13 economical and efficient for pilots, thus facilitating easier
14 intrastate travel; now, therefore,
15

16 BE IT RESOLVED by the Senate of the Thirtieth Legislature
17 of the State of Hawaii, Regular Session of 2019, that the
18 Department of Transportation is requested to conduct a study on
19 the feasibility and potential costs and fees for universal pilot
20 badges for airports in the State; and
21

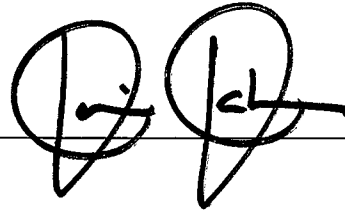

22 BE IT FURTHER RESOLVED that the Department of
23 Transportation is requested to submit a report of its findings
24 and recommendations, including any proposed legislation, to the
25 Legislature no later than twenty days prior to the convening of
26 the Regular Session of 2020; and

S.R. NO. 175

1 BE IT FURTHER RESOLVED that a certified copy of this
2 Resolution be transmitted to the Director of Transportation.
